

## HOME JOURNAL.

The election comes off on Tuesday of next week.

Dr. J. B. Davis left yesterday on a business trip to East Tennessee.

We call special attention to the advertisement of Mr. Hugh Embrey.

Mr. Benjamin Studer left Monday for Kansas, where he will locate.

Cash for anything you have to sell on farm. H. H. EMBREY.

Remember that W. H. Wilson & Co. will sell you goods at cost for cash.

W. H. Wilson & Co. are closing out their goods at cost, and no mistake. Go and see.

Hon. Jno. H. Savage will address our citizens at the Courthouse next Saturday.

We learn that our friend, Mr. Matt. N. Whitaker, has taken editorial charge of the Franklin County News.

Mr. Henry Baugh left last Saturday for Florida, where he will live with his uncle Mr. John Butterworth.

Mrs. Jessie Miller and daughter, of Hurricane Springs, visited their relative, Mrs. Carmack, here last week.

Mr. R. G. Smith, former Trustee, has settled in full with the State Treasurer, and received his receipt last week.

Mr. Geo. F. Engleman, a tailor, who formerly resided in Winchester, died at his home in Fayetteville on the 16th inst.

The first quarterly meeting will be held at the Methodist Church next Sunday. Services by the Presiding Elder, Rev. J. F. Hughes.

Rev. W. W. Pison, who was recently appointed pastor of the Methodist Church at Franklin, was here last week. His family, we believe, returned to Franklin with him.

Rev. Joe G. (better known as "Uncle Joe") Myers assisted in the big revival at the C. P. Church last Friday night. He has been a minister of the Gospel for forty years, and all who know him love him.

MASONIC.—Stated meeting of Cumberland Lodge No. 158, next Saturday night, Nov. 1, 1884. A full attendance requested.

By order of the W. M. H. H. DULIN, Sec'y.

Messrs. J. B. Hoke and J. T. Skidmore received the contract to build the new bridges (one across Elk river at Mann's Fork, the other across Boiling Fork at Winchester), ordered by the County Court at its October term. They left Monday to commence work at Mann's Fork.

Dr. E. C. Marks, late of Winchester, was licensed to preach by the late Conference of the M. E. Church, South, and is pastor of Pope and Mt. Zion Churches in Williamson county. He is a devoted Christian and an able man, and we wish him Godspeed in his new sphere.

If you don't believe what you see in our advertisement, just come to the store and we will convince you by pricing the goods.

W. H. WILSON & Co. P. S.—Everything at cost.

The Rev. Telfair Hodgson, D. D., will hold service and preach in Trinity Church, next Sunday, at 11 a. m. and 7 p. m.

By order of the Bishop. H. R. HOWARD, Priest in charge of Trinity Church, Winchester.

Mr. Edwin Martin, who served an apprenticeship in this office, and is now a member of the editorial staff on the Savannah (Ga.) News—the leading daily in the South—paid us a visit Monday. He left at night for Nashville. On his return he will stop over and spend a few days with his father at Estill Springs.

The revival at the C. P. Church, conducted by Mr. Dixon C. Williams, of Lebanon, was the largest and most successful ever held in our town. The meeting closed Monday night. During the meeting there were 97 conversions and 45 re-consecrations. We would like to speak at length about the meeting and its good effects, but defer until we have more time and space.

MARRIED.—Oct. 15th, 1884, at the residence of the bride's brother-in-law, (Mr. Parkes S. Townsend,) in Hazel Green, Ala., by Rev. W. E. Cameron, Mr. W. P. Woodall, of Madison county, Ala., to Mrs. Lottie Douglas, of Winchester, Tenn., daughter of the late Mr. Solomon Coover. The bridegroom (a gentleman of high social standing,) and bride have our best wishes for happiness and prosperity.

On the 23d inst., at the residence of the bride's father, (Mr. A. J. Skidmore, County Trustee,) about 3½ miles south of this place, Mr. Wm. R. Waldman was united in matrimony to Miss Jennie Skidmore. Rev. J. B. Myers performed the ceremony. A reception was given to the happy couple by the parents of the groom, at their home, on the 24th, at which a number of relatives and friends were present and enjoyed themselves. We wish the young couple all the happiness that mortals are heir to.

Hon. Jno. R. Oliver, Chairman, issued a call last week, notifying the members of the Executive Committee of Franklin county to meet at the Courthouse in this place at 10 a. m. last Monday. Only a few members responded, probably not having seen the call. There being no quorum, the meeting was not called to order, but it was agreed that the Chairman write letters to each member of the Executive Committee in the various civil districts to meet at the Courthouse next Saturday. The purpose is to organize forces in every district to see that every Democrat votes. Let every Democrat in the county lay aside his business and attend this meeting next Saturday. We want old Franklin county to poll the largest Democratic vote it ever polled, and hope no one will fail to turn out and receive instructions for action.

Ex-Gov. A. S. Marks delivered an address last Thursday evening in Nashville, at the Olympic Theatre, to the members of the Cleveland and Hendricks Club. The American says he had the largest audience that has yet assembled to hear a Democratic orator. We wish we had room in the Journal for the able speech. It did, most surely, analyze and exorcise the terribly bad man whom the Republicans would have to rule as President.

**Loss Paid.**

The following card explains itself: WINCHESTER, TENN., Oct. 24. Received of the Aetna Insurance Company, Hartford, Conn., through Wm. J. Slatter, Agent at Winchester, Tenn., Thirty-eight Hundred and Twenty-four Dollars, in full of all claims for loss or damage on store building and stock insured under fire policy No. 127, issued at Winchester, Tenn., Agency, said loss occurring on the 20th of August, 1884. W. H. WILSON.

**The Political Outlook.**

Mr. Dulin, who will succeed us next week in entire management of the Home Journal, tells us he will delay for one day its issue, that he may give the result of the impending National election. This is business-like, and we embrace the occasion to express our hope and belief that a grand Democratic triumph can be announced. We think it only possible that Blaine and Logan will be elected. The probabilities are on the side of Cleveland and Hendricks, the first having carried New York in his race for Governor by the astounding majority of nearly 200,000, and the latter having carried Indiana in his race for Governor, as well as for the Vice-Presidency on the ticket with Mr. Tilden. These two States and a solid South will place Cleveland and Hendricks at the head of Government. We also have strong reasons to believe that the Democracy will carry New Jersey, Nevada, California, Wisconsin, and Connecticut. We earnestly hope such may be the result, for we do believe that the Republican party, in nominating Blaine and Logan, nominated the two most sectional and corrupt men of their party, and they are "waving the bloody shirt" with a bitterness scarcely known when Grant first was elected, and this, too, when a generation almost have passed away since the war ended, and in which Mr. Blaine had a substitute. He is intellectually superior to Grant, but morally far worse. Grant did wrong very much through ignorance. Blaine is a great culprit, morally, from impulse and education.

We will add our belief, also, that Ohio will go Democratic. It went Republican lately by less than 12,000, which is not a large majority to overcome in a State that casts so large a vote as Ohio. Besides, it is proven beyond doubt that a vast amount of money was expended by the Government and Republicans in order to carry the State, the prices paid for votes ranging from ten to fifty dollars. And it is also a fact that thousands of roughs were imported and bugged as U. S. Marshals to intimidate voters in Cincinnati, and many persons killed and wounded. We believe that the people will rebuke the bloody shirt party in the National election.

As to the State election in Tennessee we are happy in the firm belief that Gov. Bate will be re-elected. In this Congressional district we think there is no doubt of the election of Maj. James D. Richardson. Dr. Lewis Metcalfe is the regular nominee for State Senator and W. W. Gordon for Representative, and their names will be found in the ticket in this issue. Vote the straight ticket.

**Mary Cuniff's Faith Rewarded.**

Mary uniff, an Irish girl, with Mr. Edward Hopper, No. 1206 Spruce st., has evitable fortune. A hard-working domestic—she has \$15,000. She communicated to a reporter that, months ago she heard of The Louisiana State Lottery, and decided on an investment. Her belief in its strictly honest principles was not shaken when she drew a blank for four times subsequent, nor did she fail to invest monthly, by mail, \$1 with M. A. Dauphin, Washington, D. C. She has just been notified that the ticket, one-fifth of which she holds, No. 70,468, has drawn the \$75,000 prize.—Philadelphia (Pa.) News, September 26.

**A CARD.**

Having obtained a situation with Bogle & Davis, I wish to inform my friends of the change. I feel able to do better by all than before, as I have the best lot of machinery in the county to work, and always plenty of water. Call and be convinced. We will always be up—no waiting a week. Those wishing the best of Flour in the market should try "Diamond Dust" which we guarantee.

Hoping to see my old friends soon, I am, as ever, F. S. CLARK.

**Let Farmers Read This.**

The old Phoenix, of Hartford, tried and firmly established, now issues a specially prepared Farm Policy, the conditions of which are few and liberal, and designed to meet the wants and requirements of Farmers to the fullest possible extent. All policies issued on the cash plan, by which method the Farmer avoids interest, bills payable and numerous annoyances, and secures his insurance at net rates of premium.

Call on Wm. J. Slatter, Agent of the Phoenix, of Hartford, for full particulars.

The suit of the Tennessee bondholders against the railroads which has been out of sight for several years, is to be argued in the Supreme Court at Washington to-day.

**RAILROAD COMMISSION.**

The "American" takes down the names of the Candidates.

Information is brought to us that keeping up the names of the candidates for Railroad Commissioners is accepted in some parts of the State as evidence that the American favored their election. We do not intend to be misunderstood on this question. We have explicitly and emphatically declared that not to vote in this election would lead to the repeal of the law. This we earnestly desire, because the law has been declared unconstitutional, and to pay large salaries for a name, under a law which cannot be executed, is an absurdity as well as a great wrong. Besides, we do not entertain a doubt but that the commission, if continued, will materially affect our industrial growth.

That nobody may be deceived about what we mean, we take down the names of the candidates, and suggest that we indicate our desire for a repeal of the law by refusing to vote at all—American, Oct. 25th.

The Home Journal has never put up the names of the candidates for Railroad Commissioners, and we wish every voter would scratch them from his ticket. It is not a party question, and should not, (as the Louisville Courier-Journal says,) be tacked on to Gov. Bate's coat tail. Gov. Bate deserves a re-election, and we hope he will be re-elected by an overwhelming majority. But it is not incumbent on any Democrat to vote for ridiculous class legislation which is now in abeyance to the Supreme Court which declared the law unconstitutional. Let us show our votes that instead of a Commission we want more railroads and more competition.

To the Public.
